

TWO MARRIED MEN AT NEVADA THIS WEEK

The drama is founded on the truism that the world judges by appearances and gives its verdict on circumstantial evidence. There are plays that must live forever; there are plays that are always appreciated and popular. Any play that interprets human life in its true sense must of necessity appeal to the human sense. Realism is what the public demands. It is the longing to see on the stage what one sees and knows off the stage that makes this class of plays popular. Such a play is "Two Married Men," a comedy in three acts, well constructed along the lines of every-day life governing affluities, husbands, wives, servants, and minions of the law. It is a very novel and unique production, brimful of humor of the right kind, a laugh-producer of the best quality.

ty. and is proving to be one of the most popular successes of the season.

It is not a one-part play; all of the characters have an equally important part to sustain, and as the cast has been carefully selected, in view of their respective parts, it insures an easy, because natural and consequently true interpretation of the character entrusted to their care. There is not a dull moment during the action of the play, the dialogue is witty and bright, nothing stale or used over.

The management, J. G. and Glenn Harper, Inc., will present this great comedy at the Nevada theater next Saturday evening. The Butler orchestra will play sweet music between the acts. Tickets now on sale at the Miners' Drug store.

The Butler orchestra will discourse choice selections between acts during both performances Saturday and Sunday nights.

DAY IN CONGRESS

WASHINGTON, Jan. 11.—The senate was not in session yesterday. Senator Lorimer resumed his defense before the investigating committee and dealt at length with Illinois politics.

House: Met at noon yesterday. Routine legislation considered. Andrew Carnegie discussed his steel career before steel investigating committee and denounced the present banking conditions as a disgrace to civilization.

Hearing before ways and means committee on dangers of manufacture of white phosphorus matches. The senate foreign relations committee referred the Cummins general arbitration bill to a subcommittee for consideration.

In the house beet sugar farmers testified before the sugar investigation committee, contradicting stories of hardships in the beet fields.

FIREMEN'S MEETING LAST NIGHT LARGELY ATTENDED

The meeting of the Volunteer Fire department was largely attended last night by members of the organization. A mistake had been made in calling the meeting for the nomination of officers, that important event not occurring until the last Wednesday in February, and the election occurs the last Wednesday in March. A committee was appointed to arrange for the annual ball of the Volunteers, which occurs on St. Valentine's evening, February 14. The meeting last evening shows that great interest is being taken by our people in the Volunteer Fire department.

FOUNTAINS IN ST. LOUIS SCHOOLS ORDERED CLOSED

ST. LOUIS, Mo., Jan. 11.—An order to school principals to shut off all drinking fountains at the city schools, except for emergency use, was issued yesterday by Superintendent Blewett. This action followed a warning of the health commissioner against the drinking of the water, which is now unfit without boiling.

Because of the danger, not yet past, of a winter famine, the water department has ceased filtering the water. An ice gorge below the city raised the Mississippi river to a level where five pumps could work at the water works. This will enable the city to accumulate a limited surplus.

RECEIVER WILDES FILES SUIT AGAINST SULLIVAN TRUST CO.

ATTACHES ALL PROPERTY TO RECOVER, IF POSSIBLE, OVER \$200,000.

Another big law suit was filed in this county yesterday by Attorneys Mack, Green, Brown and Heer, for Receiver Wildes of the State Bank and Trust company. The suit is against the L. M. Sullivan Trust company and is an attachment suit to recover the sum of \$284,295.79, with attorney's fees in the sum of \$5000, interest on the notes at one per cent per month from the day of making and the costs of the suit. Attachment papers are prayed for to hold all and any property found belonging to the defendant company. The suit is to collect on notes given to the bank in the palmy days of the southern section when money flowed like water and the securities were like dreams.—Carson News.

RETURN FROM HUNTING TRIP.

Tuesday evening Newton Crumley and associates returned from their outing hunting ducks and coyotes in the Pahump country, in the southern end of Nye county. The party left here fifteen days ago by team and report splendid luck. A great many ducks were bagged. The boys talk millions of the webfoot birds in the swamps. We are thankful to Mr. Crumley for a nice brace of ducks.

WILL USE PHONOGRAPHS.

CHICAGO, Jan. 11.—The Chicago Historical society will use the phono-

graph to allow posterity to hear voices of men and women who have been interested in making history for the city. Dr. O. L. Schmidt, chairman of a committee arranging the matter, said that Mayor Carter H. Harrison is desired as the first speaker and Jane Addams as the second.

SECURED DIVORCE IN RENO; ARRESTED AS A DESERTER

RENO, Nev., Jan. 11.—Triphon Landais, who this week secured a decree of divorce in Judge Moran's division of the district court on the ground of desertion, was yesterday arrested by Chief of Police Hillhouse on a charge of deserting from the United States navy. The circular under which he was arrested states that he enlisted in the United States navy under the name of Theodore Charles Dingman and that he deserted from the U. S. ship Independence. The naval officials have been notified of his arrest and if he proves to be the right man he will be taken to San Francisco and turned over to the naval officials.

Landais claims that he is not the man wanted by the navy. He says that he never served in the navy and that his name is Landais and not Dingman. He further claims that he will be able to prove an alibi when the proper time comes.

TO REINFORCE BRITISH.

HONG KONG, Jan. 11.—A further detachment of Indian troops with field and machine guns was dispatched yesterday from here to Canton to reinforce the contingent of British troops already stationed there.

There is a BARGAIN For Everybody

You are hereby required to appear in an action brought against you by the above-named Plaintiff in the District Court of the Fifth Judicial District of the State of Nevada, in and for the County of Nye, and to answer the Complaint filed therein, within ten days (exclusive of the day of service) after the service on you of this Summons, if served within this county; or, if served out of this county, but in this district, within twenty days; otherwise, within forty days; judgment by default will be taken against you, according to the prayer of said Complaint.

The said action is brought to dissolve the bonds of matrimony now existing between Plaintiff and Defendant on the grounds of neglect of the Defendant, for over a period of one year, to provide Plaintiff with the common necessities of life, when such neglect was not the result of poverty on the part of Defendant, which he could not avoid by ordinary industry. That Defendant without excuse and with the ability to provide said common necessities of life for Plaintiff failed and neglected to do so for over a period of one year.

This action is also brought for the purpose of decreeing any property heretofore acquired or held by Plaintiff, at time of judgment, to be her own separate property.

And you are further notified that if you fail to appear and answer said Complaint, as above required, said Plaintiff will apply to the Court for the relief demanded therein.

Given under my hand and the Seal of the District Court of the Fifth Judicial District of the State of Nevada, in and for the County of Nye, this 1st day of November, in the Year of Our Lord One Thousand Nine Hundred and Eleven.

(Seal) ROBERT G. POHL, Clerk.
